Re: Notice of Rate Adjustment under Section 7(a) and 7 (b) of the Agreement for Collection of Solid Waste and Recyclables in the City of Bonney Lake

Dear Mr. Leaf:

We have been notified that on March 1, 2018 the landfill rate in Pierce County will increase from \$153.48 per ton to \$157.38 per ton. It is our understanding that the full Pierce County Council has reviewed and approved the increase.

Section 2 of Amendment No. 2 dated July 8, 2016 provides for an annual CPI adjustment equal to 80% of the change in the Consumer Price Index for All Urban Consumers, U.S. Department of Labor, Seattle-Tacoma-Bremerton area for the immediately preceding twelve (12) month period. Eighty percent of the CPI change for this period is 2.73% after grossing up for city utility tax and city contract administration fees.

Attached is the exhibit, which reflects the dump fee and CPI adjustment.

We appreciate the opportunity to provide you comprehensive waste collection, disposal and recycling services. If I can answer any questions, please contact me by telephone at (253) 896-3293 or by email at [MarkGi@wasteconnections.com](mailto:MarkGi@wasteconnections.com).

Sincerely,  
D.M. Disposal Company

Mark Gingrich  
District Manager
