

Application  
**WIRELESS FACILITY  
ELIGIBLE FACILITIES MODIFICATION**

**Project Information:**

Project Name:

Site Address:

Tax Parcel:

**Applicant:**

Name:

Phone:

Address:

City, State, Zip:

E-Mail Address:

**Project Description:**

1. Does the modification increase the height of the tower by more than ten-percent (10%)? Yes No
2. Does the modification increase the tower height with the addition of one additional antenna array greater than twenty (20) feet? Yes No
3. Does the modification increase the height of other eligible support structures by more than ten-percent (10%) or more than ten (10) feet, whichever is greater? Yes No
4. Does the modification add an appurtenance to the body of the tower that would protrude from the edge of the tower more than twenty (20) feet, or more than the width of the tower structure at the level of the appurtenance, whichever is greater? Yes No
5. Does the modification add an appurtenance to the body of the structure that would protrude from the edge of the structure by more than six (6) feet? Yes No
6. Does the modification include the installation of more than the standard number of new equipment cabinets for the technology involved, but not to exceed four cabinets? Yes No
7. If there are no preexisting ground cabinets associated with the structure, does the modification involve the installation of any new equipment cabinets on the ground? Yes No N/A
8. Does the modification involve the installation of ground cabinets that are more than ten-percent (10%) larger in height or overall volume than any other ground cabinets associated with the structure? Yes No
9. Does the modification entail any excavation or deployment outside the current site? Yes No
10. Would the modification defeat the concealment elements of the eligible support structure? Yes No
11. Does the modification comply with conditions associated with the siting approval of the construction or modification of the eligible support structure or base station equipment? Yes No

**SUBMITTAL REQUIREMENTS**

**Fee:** \$500

**Site Plan:** The site plan shall be drawn eleven (11) inch by seventeen (17) inch sized paper landscape orientation with a maximum scale of one (1) inch equals forty (40) feet displaying the following:

1. Location, type, dimensions, height, materials and color of the proposed or existing tower or structure.
2. Location, type, dimensions, height, number, color and technical specifications of proposed antennas.
3. Location, type, dimensions, gross floor area, height, materials and color of proposed equipment structure. Location of exhaust ports or outlets.
4. Location of existing and proposed power, telephone and other utilities serving the site.
5. Location of adjacent roadways and proposed means of access.

**Elevations:** The elevation shall be dimensioned elevation drawings drawn eleven (11) inch by seventeen (17) inch sized paper landscape orientation with a maximum scale of one-eighth (1/8) inch equals one (1) foot displaying the following:

1. The existing tower or structure.
2. The existing and proposed antennas.
3. The existing and proposed equipment and ground units
