

CITY OF BONNEY LAKE ADOPT-A-STREET PROGRAM

The Adopt-A-Street Program is a fun and worthwhile program that will give you, your company, school or organization recognition while saving taxpayer dollars. You can adopt a City street and beautify a part of Bonney Lake in partnership with the City. This is a great way to promote community pride and goodwill within your organization, and among family and friends. The City recognizes the organization's concern for the environment with a sign that identifies the organization responsible for the cleanup of that particular street segment.

Adopting a street requires litter pickup on your designated street segment (usually a minimum of a 1 mile stretch) at least quarterly over at two-year period. The City will provide a safety vest, trash bags and trash pickup. For complete information about the program, see the application packet (attached), which can also be downloaded from the City's website at www.ci.bonney-lake.wa.us

If adopting a street sounds like something you or your organization would like to get involved in, complete the application packet and return it to the City of Bonney Lake, Attn: Triss Weber, PO Box 7380, Bonney Lake, WA 98391. If you have any questions about the program, contact Triss Weber at (253) 447-4320.
