III. Agenda Items:

A. Council Open Discussion:

Senator Patty Murray: Mayor Johnson stated that Senator Murray’s Representative Sean Murphy, who represents the South Sound Regional Area, met with him, City Administrator Morrison and Executive Assistant Hartsell. He said they spoke about the City’s plans for different projects, transportation, earmarks, Eastown and Downtown. He stated Mr. Murphy is charged with coordinating the veterans’ memorial committees in the area and the Mayor shared the City’s plan for a veteran’s memorial. He stated that after lunch City Administrator Morrison and Executive Assistant Hartsell took Mr. Murphy on a tour of the City.

Pierce Transit: Mayor Johnson stated he sent a letter to all the small cities that he represents as the Small Cities Representative on the Pierce Transit Board, asking for their input on the transit tax. He said he only received responses from Councilmember Carter and the City of Steilacoom. He thanked Councilmember Carter for her detailed response.

He stated as of December 24, 2010 a “No” Committee had not been established for the voters’ pamphlet. He added the “Yes” committee is being led by Terry Lee and Claudia Thomas. He said Pierce Transit will hold Town Hall meetings to inform the public about the different budget options.
Park Place Condos: Councilmember Hamilton asked if the development has tenants living in it. Community Development Director Vodopich said the development is abandoned and bank owned. He said there is no one living in the units and they are secure.

WSU Forest: Councilmember Hamilton stated a citizen informed him a large tree fell across one of the main trails in the forest. He asked if it had been cleared or what the procedure is for taking care of it. Community Services Director Leaf said he had not heard about it and the City does not patrol the trails. He said he will have a staff member go out and make sure the trail is clear.

Sumner School District: Councilmember Lewis asked for a status update on the traffic light on 104th St. Public Works Director Grigsby stated Pierce County has signed off on the project. He will contact the County and report back with a status update.

Mayor Johnson said Bonney Lake High School is holding a Youth Summit on January 11th from 8:00am to 12:00pm. He stated all of the directors in the City will be attending the summit and the students are excited to have the opportunity to work with them.

Eastown Easements: Councilmember Lewis asked for a status update on the easements for the Eastown project. Director Grigsby stated several easements have been received; he is working on getting few more. He said Compass Point has not submitted anything to the City at this point.

Charitable Donations: Councilmember Carter asked about the City’s policy on payroll deductions for charitable donations. Chief Financial Officer Juarez said the City does payroll deductions, and he will prepare a report on how it would work for charitable organizations. Councilmember Carter said Marilee Hill-Anderson from the Sumner School District plans to hold a training class to help nonprofits in the area fill out the paperwork for the United Way donation program.

Bonney Lake YMCA: Councilmember Carter said the Bonney Lake YMCA now has a fund raising account. She said donors can specify on their check “restrict to fund Bonney Lake YMCA” and the funds will only be used toward the Bonney Lake YMCA.

Business Licensing: City Attorney Ganson stated the City has received a business license application for a marijuana dispensary. He said he met with staff and drafted a letter to the company stating the type of business they have applied for is illegal in the State of Washington. He said the City denied their application and returned their application fee.

Condolences: Councilmember Carter shared that Duane Tidball passed away on December 31, 2010. She said he was a great member of the community. Director Vodopich pointed out the contributions the Tidball family made to the 90th St E project. Council expressed their condolences to the Tidball family.

The corrected minutes were forward to the January 11, 2011 Meeting for Council action.

C. **Discussion:** City/County Staff Meeting Regarding the CUGA Annexation Proposal on January 3, 2010.

City Administrator Morrison said he and Community Development Director Vodopich meet with staff from Pierce County to discuss the proposed annexation. He said the County asked the City to withdraw the application for annexation and work on an annexation agreement for the area. He said the City has tried to work on an annexation agreement previously and had no response from the County. He said if the County invokes jurisdiction the election process could be delayed by several months and would be difficult to complete in 2011. He said the City could offer to dedicate all Park and Traffic development Impact Fees for use only in the area that they are being taken for. Or the City could withdraw their application in good faith and negotiate with Pierce County for an annexation agreement. Deputy Mayor Swatman said he would want to make sure the resources were not taken off the plateau. He said he liked the idea of dedicating the funds to the area they are taken from. Mayor Johnson said the County has not had a plan for this area and he wants the City to move forward with the annexation. City Attorney Ganson stated if the County does invoke jurisdiction the City and the County can still negotiate and work toward an agreement. City Administrator Morrison said any group that is affected has the right to invoke jurisdiction. He said the City has received a letter from the Pierce County Health Department in support of the annexation. Mayor Johnson said he will schedule a meeting with County Commissioner Dan Roach to discuss the annexation. Council consensus was that the Mayor send a letter to Pierce County and move forward with annexation.

D. **Discussion:** Council Retreat Dates, Including Potential Agenda Items and Participants.

City Administrator Morrison discussed several options for the 2011 Council Retreat. He asked the Council if they would like to have a retreat, who they would like to invite, and when they would like to have the meeting. The Council expressed a preference to have the 2011 Retreat on Saturday, February 26, 2011 at the Reed Property, and to invite one representative from each commission to give a presentation at the retreat. Mayor Johnson asked that the suggested list of agenda items be ready to discuss at the next workshop.

1. Announcements: None.

2. Appointments: None.

3. Presentations: None.

D. Agenda Modifications: None.

PUBLIC HEARINGS, CITIZEN COMMENTS & CORRESPONDENCE:

A. Public Hearings: None.

B. Citizen Comments:

Louie Dahl, 18512 74th St E, Bonney Lake, said he lives on a corner at the bottom of a hill, and multiple cars have slid onto his property and damaged his fence. He said he has spoken to Public Works staff and the Director many times in past years, and asked that the City sand the hill near this corner when it is icy, but he has been told his street is not a priority. He provided Councilmembers with a police report of one of the accidents. He said he has spent thousands of dollars to repair his fence over the years. He asked the City to help make the intersection safer. He believes even sanding the corner earlier on the City’s priority list will help.
Councilmember Rackley said the Community Development Committee will review this concern at a future meeting. Mayor Johnson said Director Grigsby is working to gather information, and Councilmember Carter has looked at this issue as well.

John Gustafson, 21521 134th St E, Bonney Lake, and Ron Lavigne, 4910 Jenks Pt Way E, Lake Tapps, said they are considering purchasing a property near 223rd St E in Eastown to build a new veterinary clinic on SR 410. However, they learned that the City would require them to connect the parcel to the City sewer, which is not realistic since sewer has not yet been extended to Eastown. They said tests show the site could be developed with a commercial septic system if the Council allowed it.

Mayor Johnson said the Council has considered commercial septic systems in Eastown many times in the past, but so far have not allowed property owners to develop on septic systems. He said the City is working to build out the sewer system in Eastown, and residents are now submitting easements and moving the project forward. Councilmember Rackley invited Mr. Gustafson and Mr. Lavigne to attend an upcoming CDC Meeting to discuss the issue and options in depth. Mayor Johnson asked them to speak with Director Grigsby to get more information on the history of Eastown sewers and concerns related to septic systems.

C. Correspondence: None.

III. COUNCIL COMMITTEE REPORTS:

A. Finance Committee: Deputy Mayor Swatman said the committee met at 5:30 p.m. earlier in the evening and discussed personnel updates, health insurance rebates, a proposed contract for infectious waste disposal, and a proposed false alarm ordinance and related contract. The committee forwarded items AB11-06 and AB11-07 to the current agenda for action. The committee also reviewed its minutes, discussed the draft social media policy presented by staff, and reviewed Finance Department accomplishments. They also discussed how the timing of a future annexation might affect the City’s budget.

B. Community Development Committee: Councilmember Rackley said the committee has not met since the last Council Meeting.

C. Public Safety Committee: Councilmember Hamilton said the committee met January 3rd and started reviewing the City’s firearm code to bring it in compliance with State law. The committee also discussed weapons check-in at the new court facility, and reviewed the draft nuisance ordinance and fines. The committee also discussed medical marijuana dispensaries, but the State law is not clear on what is legal and this discussion has been put on hold until new legislation comes forward. The committee plans to discuss possible changes to BLMC Chapter 6 at a future meeting.

D. Other Reports:

Pierce Transit: Mayor Johnson said he attended the Pierce Transit Board work session and meeting on Monday, January 10. The board discussed the agency’s
‘reduction plan’, and heard from members of the ‘pro’ committee for the transit tax ballot measure. He said services to the plateau will likely be reduced whether or not the proposed tax passes. He said he will provide updates as available and encouraged others to share their opinions about the proposed tax and budget to local newspapers.

YMCA: Mayor Johnson said he, Councilmembers McKibbin and Hamilton, and City Administrator Morrison met with Bob Ecklund and Michelle LaRue from the YMCA. He said it was a very positive meeting and they hope the City can open a new YMCA by 2018, or as soon as 2014. He thanked Councilmember Carter for her donation to the newly created Bonney Lake YMCA fund.

Annexation: Mayor Johnson said he and Deputy Mayor Swatman met with residents of Autumn Crest Homeowner’s Association, in the proposed annexation area, to answer their questions about annexation. He said City Administrator Morrison has been working with Pat McCarthy on annexation issues.

Youth Forum: Mayor Johnson said he, all department heads, and staff members Kathy Seymour and David Wells attended the Bonney Lake High School Youth Forum earlier in the day. He said students discussed what they saw as the city’s strengths and weaknesses. Among the strengths they said the City has good sidewalks, is clean and nice, and they are excited about getting a YMCA. For weaknesses, they cited trees being cut down, a lack of things to do, and traffic issues. He thanked staff for attending, and said it is important to get this input from the kids.
