Date
CALL TO ORDER – Mayor Neil Johnson, Jr. called the workshop to order at 5:30 p.m.

ROLL CALL:
Administrative Services Director/City Clerk Harwood Edvalson called the roll. In addition to Mayor Johnson, elected officials attending were Deputy Mayor Dan Swatman, Councilmember Mark Hamilton, Councilmember Donn Lewis, Councilmember Randy McKibbin, Councilmember Katrina Minton-Davis, Councilmember Jim Rackley and Councilmember Tom Watson.

Staff members in attendance were City Administrator Don Morrison, Public Works Director Dan Grigsby, Community Development Director John Vodopich, Chief Financial Officer Al Juarez, Interim Police Chief Dana Powers, Administrative Services Director/City Clerk Harwood Edvalson, City Attorney Jim Dionne, and Administrative Specialist II Shawn Campbell.

AGENDA ITEMS:

A. AB12-01 – A Motion Of The City Council Of The City Of Bonney Lake, Pierce County, Washington, Electing The Deputy Mayor And Assigning Councilmembers To The Council Standing Committees.

Councilmember McKibbin moved to elect Councilmember Dan Swatman as Deputy Mayor. Councilmember Rackley seconded the motion.

Motion approved 7-0

Deputy Mayor Swatman moved to appoint Councilmember Rackley, Councilmember Minton-Davis, and Councilmember McKibbin to the Community Development Committee, and Councilmember Hamilton, Councilmember Watson and Councilmember Lewis to the Public Safety Committee. Councilmember Lewis seconded the motion.

Motion approved 7-0

Deputy Mayor Swatman said the City Attorney is working on options for creating larger standing committee meetings. City Attorney Dionne said the Council could change the way they have standing committee meetings or completely eliminate the standing committees entirely. He said if an item goes to a standing committee, then to the consent agenda at the next meeting, the full Council does not have an opportunity to discuss the issue. Deputy Mayor Swatman suggested adding this as a discussion item at the next workshop. He said he is concerned because standing committees spend extensive time on each issue and if every item is brought before the full Council, the same amount of time and research may not be given. Mayor Johnson suggested waiting until the end of the first quarter to allow the new councilmembers an opportunity to get a feel for the process. Councilmember Hamilton said...
sometimes councilmembers feel they have not received adequate information. He said this would not be a problem if all items came before the full Council. Councilmember Rackley said the standing committees were set up at a time when the workshops were very long. He said the workload is lower now and the Council could do away with the standing committees. Councilmember Watson said he noticed some Councilmembers did not have full knowledge of an issue when he attended Council meetings in the past. Councilmember McKibbin said he receives an agenda item on a Friday and is expected to be ready to vote on the issue the following Tuesday. Councilmember Minton-Davis said she would like to wait until after the retreat to change the process. City Attorney Dionne reminded all Councilmembers not to respond to other Councilmembers by email so as not to create a quorum of Council members communicating about an individual item.

Councilmember Lewis offered several typographical corrections to the minutes.

The corrected minutes were forwarded to the January 10, 2012 meeting for action.

C. Council Open Discussion:

AB12-04 – Resolution 2176 – Developer Extension Agreement Between Thomas Witte and the City for Olympic View Estates Long Plat: Councilmember Rackley said there will not be a Community Development Committee meeting before the next full council meeting and he would like to introduce this item for discussion. Director Grigsby said when a property owner outside the City Limits wants to tie into the City water main they must enter into a Developer Extension Agreement. He said this ensures the work is done to the City’s development standards.

Sumner/Bonney Lake Sewer Treatment Plant: Councilmember Rackley said the City is being charged approximately 1/3 of the fees collected from citizens to the City of Sumner for sewage treatment. Councilmember Watson asked if the City has plans to build a sewer treatment plant in Bonney Lake. Mayor Johnson said the City would like to do so, and a great deal of discussion needs to happen on this item.

Peaking Storage Tank: Councilmember Rackley said the City collects approximately $2 million dollars more during the summer months in water fees. He said the City made a very good investment when purchasing the 15 million gallon tank.

Bonney Lake/Sumner Bowling Tournament: Councilmember Minton-Davis said Bonney Lake won the Bowling Tournament between the cities of Bonney Lake and Sumner staff and families by two pins. She said a trophy would be presented to the City at the next Council meeting.

Council Retreat: Deputy Mayor Swatman asked the Council to consider dates that would work for a full day retreat. He suggested a Saturday after the new Councilmembers have received their training. Councilmember Lewis recommended Saturday, February 25, 2012.

Community Spirit: Councilmember Hamilton said he was in Eugene, OR during the Rose Bowl. He said he was struck by how the entire community, including businesses, churches and citizens all supported the local college team. He said there was a real sense of community. He suggested finding more ways to involve the community in Bonney Lake
High School sports. Mayor Johnson said he has asked the school for any suggestions as to what the City can do to promote the school. He said the City does hang a banner for Panther day and the Bonney Lake Police escort the football team to Sumner for the annual homecoming game. Interim Police Chief Powers said the Police Department enjoys the escort and the parents and sibling of the players line the streets around the school. She said each year it becomes a larger event.

IV. EXECUTIVE SESSION:

Pursuant to RCW 42.30.110(1)(i), and RCW 42.30.140(4)(a), the Council adjourned to an executive session with the City Attorney at 6:14 p.m. for 30 minutes to discuss potential litigation and for a closed session to discuss a Collective Bargaining Agreement. The session was extended 15 minutes at 6:50 p.m., at 7:05 the session was extended 10 minutes, and at 7:15 the executive session was extended 5 minutes. Mayor Johnson called the meeting back to order at 7:21 p.m.

Deputy Mayor Swatman moved to suspend the rules and allow an item to be added to the agenda. Councilmember Lewis seconded the motion.

Motion approved 7-0.

Councilmember Rackley moved to add an action item to the agenda. Councilmember Lewis seconded the motion.

Motion approved 7-0.

Councilmember Lewis moved to add AB12-06 – A Motion of the City Council Of The City Of Bonney Lake, Pierce County, Washington, Allowing City Attorney Dionne to Appeal the City of Sumner’s Urban Growth Area Expansion. Councilmember Rackley seconded the motion.

Motion approved 7-0.

VI. ADJOURNMENT:

At 7:23 p.m., Councilmember Lewis moved to adjourn the Council Workshop. Councilmember Rackley seconded the motion.

Motion to adjourn approved 7-0.

A. Flag Salute: Mayor Johnson led the audience in the Pledge of Allegiance.

B. Roll Call: Administrative Services Director/City Clerk Harwood Edvalson called the roll. In addition to Mayor Johnson, elected officials attending were Deputy Mayor Dan Swatman, Councilmember Mark Hamilton, Councilmember Donn Lewis, Councilmember Randy McKibbin, Councilmember Katrina Minton-Davis, Councilmember Jim Rackley, and Councilmember Tom Watson.

Staff members in attendance were City Administrator Don Morrison, Public Works Director Dan Grigsby, Community Development Director John Vodopich, Chief Financial Officer Al Juarez, Interim Police Chief Dana Powers, Administrative Services Director/City Clerk Harwood Edvalson, City Attorney Jim Dionne, and Records & Information Specialist Susan Duis.

C. Announcements, Appointments and Presentations:

1. Announcements: None.

2. Appointments:

     Judge Heslop administered the Oath of Office for the new and returning Councilmembers.

     Mayor Johnson recessed the Meeting at 7:06 p.m. for 15 minutes for a short reception for the Councilmembers and their families.

     The meeting returned to order at 7:19 p.m.

   3. Presentations: None.

D. Agenda Modifications: None.

II. PUBLIC HEARINGS, CITIZEN COMMENTS & CORRESPONDENCE:

A. Public Hearings: None.
B. Citizen Comments:

Dan Decker, 20401 70th St E, Bonney Lake, congratulated the new councilmembers. He said the Council should rethink renaming Sumner-Buckley Hwy inside City limits, and noted that the County and Buckley are not going to change the road name. He said the Council and City staff should be aware of the Hatch Act.

David Colbeth, 21816 113th St E, thanked the Council and Mayor for welcoming his family to the Council meeting earlier. He said he looks forward to the Council’s approval of the memorandum of understanding with the Greater Bonney Lake Veterans Memorial Committee. He also congratulated and welcomed the new councilmembers.

Lora Butterfield, Bonney Lake Chamber of Commerce 15712 58th St Ct E, Sumner, spoke on behalf of the Chamber of Commerce. She congratulated the new councilmembers and thanked the Council for their work with the Chamber. She said Councilmember Hamilton plans to attend their upcoming meeting to discuss the Orton Junction proposal with Chamber members. She said the Chamber’s awards banquet is coming up and encouraged the submittal of nominations online at www.BonneyLake.com.

C. Correspondence: None.

III. COUNCIL COMMITTEE REPORTS

A. Finance Committee: Deputy Mayor Swatman said the committee met at 5:30 p.m. earlier in the evening and discussed personnel updates, including the resignation of Assistant Planner Dan Buhl. The committee reviewed its minutes and the proposed extension of the City Administrator’s employment agreement. The committee discussed options to provide more information to all Councilmembers on City finances, and in the future all Councilmembers will receive the complete Vouchers listings in PDF format prior to the Voucher Review and Finance Committee meetings, for their information. He confirmed that the materials should be considered as drafts until the Finance Committee has completed its review. He said the Finance Committee also discussed electronic billing options for utility billing.

Deputy Mayor Swatman said staff are working to schedule a time for Dr. Elliott Eisenberg, Senior Economist with the National Association of Home Builders, to speak to the Council, tentatively on February 14th at 6:00 p.m. He said Dr. Eisenberg will provide his analysis of the economic impact of housing in Bonney Lake, Tacoma, and Pierce County. Councilmembers will have the opportunity to ask questions about the City’s building fee structure and other issues.

B. Community Development Committee: Councilmember McKibbin said the committee met on January 9th and the only item of business was the election of officers.

C. Public Safety Committee: Councilmember Hamilton said the committee met on January 9th and elected its officers. He said he continues as chair on the committee, but would like to allow other committee members to chair meetings and take his place at Finance Committee meetings from time to time. He said the committee also discussed fireworks complaints from New Years Eve, and will likely discuss fireworks at an upcoming meeting. He encouraged interested citizens to come and speak to the committee.
Mayor Johnson said he heard very large fireworks from his house and suspected that some of them were illegal. He asked whether there is a police task force to stop illegal fireworks. Interim Police Chief Powers said the ATF has a task force that normally operates around Independence Day only. She said the Bonney Lake Police Department would have to look at the city’s code and options to increase enforcement.

D. **Other Reports:**

**Pierce Transit Boundary Review Board:** Councilmember Hamilton said he attended the Pierce Transit Boundary Review Board meeting on December 16th in place of Mayor Johnson. The group discussed which areas wanted to remain in the transit benefit area and which wanted to be drawn out of the area. Pierce Transit presented a map of proposed service area reductions, which was similar to the election results for the recent transit tax proposal. He said the City of Dupont asked to be drawn out of the taxing area. He said the Board will meet again on January 20th at 9:00 a.m. in Lakewood and continue the process. He said if the boundaries are redrawn, some cities would no longer be in a transit district.

Mayor Johnson said Pierce Transit is pushing this process to move forward on a fast track. He said he has heard that the City of Sumner may also ask to be drawn out of the transit area. He said his main concern is that the cities of Sumner and Bonney Lake can keep Route 496 between the Sumner Sounder Station and the Bonney Lake Park & Ride. He said this is a Sound Transit route, but the operations are contracted to Pierce Transit. He said Pierce Transit may lose more tax than it expects if additional cities request to be taken out of the benefit area. Mayor Johnson thanked Councilmember Hamilton for attending the meeting.

**Community Updates:** Councilmember Lewis said he attended the Sumner-Bonney Lake Communities for Families meeting on January 5th. Tim Tallon from the Sumner Food Bank gave a presentation about their service levels. He said a record number of families were served last year and they anticipate a 12% increase during 2012. Councilmember Lewis said the CFF Community Summit will be on March 15th at Calvary Community Church. He said the group also heard a presentation on drug free communities.

Councilmember Lewis said Bonney Lake High School SADD is holding a potluck dinner on January 25th at 6:00 p.m. at the Prairie Ridge Recreation Center. Bonney Lake High School is presenting the musical ‘Annie’ on March 9th through March 11th, and 20% of all proceeds will go to the Sumner and Bonney Lake food banks. Councilmember Lewis said the CFF group also discussed the ‘Beyond the Borders’ transportation program, which coordinates a network of volunteers and churches to provide rides for the elderly to medical appointments.

**IV. CONSENT AGENDA:**

A. **Approval of Corrected Minutes:** December 6, 2011 Council Workshop and December 13, 2011 Council Meeting.

A. **AB12-05** – A Motion Of The City Council Of The City Of Bonney Lake, Pierce County, Washington, Authorizing the Mayor To Sign A Non-Binding Memorandum Of Understanding With The Greater Bonney Lake Veterans Memorial Committee For The Construction Of A Veterans Memorial.

**Councilmember Rackley moved to approve motion AB12-05. Councilmember Hamilton seconded the motion.**

Mayor Johnson said this has been in discussion for some time, and he is glad it has come forward. He said he hopes GBLVMC President David Colbeth and Public Works Director Dan Grigsby will continue working together on this project. Councilmember Hamilton thanked the Mayor and staff for their work on this project, which moves the City closer to having a full-fledged memorial.

**Motion AB12-05 approved 7 – 0.**

IX. **CLOSED SESSION:**

Pursuant to RCW 42.30.140(4)(a), the Council adjourned to a Closed Session with the City Attorney at 7:48 p.m. for 30 minutes to discuss labor negotiations. The Council returned to chambers at 8:19 p.m. No action was taken.

Bonney Lake, WA

Utility Underground Conversion
Amendment No-1

Prepared for: John Woodcock, PE, City Engineer
City of Bonney Lake
Prepared By: Perry Shea, PE, Principal
Scott Sawyer, PE, Senior Project Manager
Date prepared: January 11, 2012

Overview

In October 2011, Shea Carr Jewell (SCJ) contracted with the City of Bonney Lake (City) to prepare final PS&E documents for the SR 410 at Main Street to Angeline Road Improvements. Recently, the City has made the decision to execute a Schedule 74 agreement with Puget Sound Energy to underground the overhead utilities within the limits of the project.

The following scope of work is an amendment to the original PS&E contract to coordinate the undergrounding effort and prepare undergrounding coordination plans on the SR 410 at Main Street to Angeline Road project.

Phase 10 Undergrounding Coordination

Task 1 Undergrounding Coordination Meetings

1) Coordination Meetings: Attend up to four (4) meetings with the City, SCJ, Puget Sound Energy, Comcast, Century Link and IntoLight to coordinate the design of the utility undergrounding.
2) Email & Telephone Communication: Coordinate elements of the undergrounding design with the private utility companies in between coordination meetings via Email & Telephone.

**Task 2 Undergrounding Plans**

1) Undergrounding Plans: Prepare the following Underground Utility Conversion Plans:
   - General Undergrounding Notes and Legend Sheet (1 Sheet)
   - Undergrounding Utility Conversion Plans (2 sheets)
   - Undergrounding Details and Trench Sections (2 sheets)

**Phase 10 Understanding**

- All team meeting will be held at the City of Bonney Lake Annex.
- Design of undergrounding will be prepared by the Utility Providers and provided to SCJ in AutoCAD format.
- Undergrounding Conversion plans will consist of a compilation of design drawings from Utility Providers. Plans will identify location of trenches and vault excavation to be completed by the City’s contractor.
- Details of vaults, handholes, j-boxes, etc will be provided to SCJ by the Utility Providers and included in the Undergrounding Details to allow the City’s contractor to accurately estimate the excavation required for each.
- Undergrounding Profiles are not included.

**Phase 10 Deliverables**

- Design Meeting Minutes
- Underground Conversion Plans

PROFESSIONAL SERVICES AGREEMENT

THIS PROFESSIONAL SERVICES AGREEMENT ("Agreement") is made and entered into this __________ day of __________________________, 2011, by and between the City of Bonney Lake ("City") and __________ ("Consultant").

The parties hereby agree as follows:

1. **Scope of Work.** The Consultant shall perform all work and provide all materials described in the Scope of Work set out in Exhibit A attached hereto and incorporated herein by this reference. Such work shall be performed using facilities, equipment and staff provided by Consultant, and shall be performed in accordance with all applicable federal, state and local laws, ordinances and regulations. The Consultant shall exercise reasonable care and judgment in the performance of work pursuant to this Agreement. The Consultant shall make minor changes, amendments or revisions in the detail of the work as may be required by the City, such work not to constitute Extra Work under this Agreement.

2. **Ownership of Work Product.** Documents, presentations and any other work product produced by the Consultant in performance of work under this Agreement shall be tendered to the City upon completion of the work, and all such product shall become and remain the property of the City and may be used by the City without restriction; provided, that any such use by the City not directly related to the particular purposes for which the work product was produced shall be without any liability whatsoever to the Consultant.

3. **Payment.** The Consultant shall be paid by the City for completed work and services rendered under this Agreement pursuant to the rates and charges set out in Exhibit B, attached hereto and incorporated herein by this reference. Such payment shall be full compensation for work performed or services rendered and for all labor, materials, supplies, equipment, and incidentals necessary to complete the work. All billings for compensation for work performed under this Agreement shall list actual time and dates during which the work was performed and the compensation shall be figured using the rates set out in Exhibit B; provided, that payment for work within the Scope of Work (Exhibit A) shall not exceed the fee/hour estimate set out in Exhibit B without written amendment to this Agreement, agreed to and signed by both parties.

Acceptance of final payment by the Consultant shall constitute a release of all claims, related to payment under this Agreement, which the Consultant may have against the City unless such claims are specifically reserved in writing and transmitted to the City by the Consultant prior to acceptance of final payment. Final payment shall not, however, be a bar to any claims that the City may have against the Consultant or to any remedies the City may pursue with respect to such claims.
The Consultant and its sub consultants shall keep available for inspection, by the City, for a period of three years after final payment, the cost records and accounts pertaining to this Agreement and all items related to, or bearing upon, such records. If any litigation, claim or audit is started before the expiration of the three-year retention period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved. The three-year retention period shall commence when the Consultant receives final payment.

4. Changes in Work. The Consultant shall make all revisions and changes in the work completed under this Agreement as are necessary to correct errors, when required to do so by the City, without additional compensation.

5. Extra Work. The City may desire to have the Consultant perform work or render services in addition to or other than work provided for by the expressed intent of the Scope of Work. Such work will be considered Extra Work and will be specified in a written supplement which will set forth the nature and scope thereof. Work under a supplement shall not proceed until authorized in writing by the City. Any dispute as to whether work is Extra Work or work already covered by this Agreement shall be resolved before the work is undertaken. Performance of the work by the Consultant prior to resolution of any such dispute shall waive any claim by the Consultant for compensation as Extra Work.

6. Employment. Any and all employees of Consultant, while engaged in the performance of any work or services required by the Consultant under this Agreement, shall be considered employees of the Consultant only and not of the City, and any and all claims that may or might arise under the Workman’s Compensation Act on behalf of said employees, while so engaged; any and all taxes arising out of Consultant’s or Consultant’s employees’ work under this Agreement; and any and all claims made by a third party as a consequence of any acts, errors, or omissions on the part of the Consultant’s employees, while so engaged, shall be the sole obligation and responsibility of the Consultant, except as provided in Section 12 of this agreement. The Consultant’s relation to the City shall at all times be as an independent contractor.

7. Nondiscrimination and Legal Compliance. Consultant agrees not to discriminate against any client, employee or applicant for employment or for services because of race, creed, color, national origin, marital status, gender, age or handicap except for a bona fide occupational qualification with regard to, but not limited to, the following: employment upgrading; demotion or transfer; recruitment or any recruitment advertising; layoff or termination; rates of pay or other forms of compensation; selection for training; and rendition of services. The consultant represents and warrants that it is in compliance with and agrees that it will remain in compliance with the provisions of the Immigration Reform and Control Act of 1986, including but not limited to the provisions of the Act prohibiting the hiring and continued employment of unauthorized aliens and requiring verification and record keeping with respect to the status of each of its employees’ eligibility for employment. The consultant shall include a provision substantially the same as this
section in any and all contracts with sub consultants performing work required of the contractor under this contract. The consultant agrees to indemnify and hold the City harmless from any and all liability, including liability for interest and penalties, the City may incur as a result of the consultant failing to comply with any provisions of the Immigration Reform and Control Act of 1986. Consultant understands and agrees that if it violates this section, this Agreement may be terminated by the City, and that Consultant shall be barred from performing any services for the City in the future unless and until a showing is made satisfactory to the City that discriminatory practices have terminated and that recurrence of such action is unlikely.

8. **Term.** This Agreement shall become effective upon the day of its execution by both parties, and shall terminate upon completion of the work and delivery of all materials described in Exhibit A.

9. **Termination by City.** The City may terminate this Agreement at any time upon not less than ten (10) days written notice to Consultant, subject to the City's obligation to pay Consultant in accordance with subsections A and B below.

A. In the event this Agreement is terminated by the City other than for fault on the part of the Consultant, a final payment shall be made to the Consultant for actual cost of work complete at the time of termination of the Agreement. In addition, the Consultant shall be paid on the same basis as above for any authorized Extra Work completed. No payment shall be made for any work completed after ten (10) days following receipt by the Consultant of the termination notice. If the accumulated payment(s) made to the Consultant prior to the termination notice exceeds the total amount that would be due as set forth in this subsection, then no final payment shall be due and the Consultant shall immediately reimburse the City for any excess paid.

B. In the event the services of the Consultant are terminated by the City for fault on the part of the Consultant, subsection A of this section shall not apply. In such event the amount to be paid shall be determined by the City with consideration given to the actual costs incurred by the Consultant in performing the work to the date of termination, the amount of work originally required which was satisfactorily completed to date of termination, whether that work is in a form or of a type which is usable by the City at the time of termination, the cost to the City of employing another person or firm to complete the work required and the time which may be required to do so, and other factors which affect the value to the City of the work performed at the time of termination. Under no circumstances shall payment made under this subsection exceed the amount which would have been made if subsection A of this section applied.

C. In the event this Agreement is terminated prior to completion of the work, the original copies of all work products prepared by the Consultant prior to termination shall become the property of the City for its use without restriction; provided, that any such use by the
City not directly related to the particular purposes for which the work product was produced shall be without any liability whatsoever to the Consultant.

10. **Termination by Consultant.** Consultant may terminate this Agreement only in response to material breach of this Agreement by the City, or upon completion of the work set out in the Scope of Work and any Extra Work agreed upon by the parties.

11. **Applicable Law; Venue.** The law of the State of Washington shall apply in interpreting this Agreement. Venue for any lawsuit arising out of this Agreement shall be in the Superior Court of the State of Washington, in and for Pierce County.

12. **Indemnification / Hold Harmless**

Consultant shall defend, indemnify and hold the City, its officers, officials, employees and volunteers harmless from any and all claims, injuries, damages, losses or suits including attorney fees, arising out of or resulting from the acts, errors or omissions of the Consultant in performance of this Agreement, except for injuries and damages caused by the sole negligence of the City.

**Insurance**

The Consultant shall procure and maintain for the duration of the Agreement, insurance against claims for injuries to persons or damage to property which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.

**A. Minimum Scope of Insurance**

Consultant shall obtain insurance of the types described below:

1. **Automobile Liability** insurance covering all owned non-owned, hired and leased vehicles. Coverage shall be written on Insurance Services Office (ISO) form CA 00 01 or a substitute form providing equivalent liability coverage. If necessary, the policy shall be endorsed to provide contractual liability coverage.

2. **Commercial General Liability** insurance shall be written on ISO occurrence form CG 00 01 and shall cover liability arising from premises, operations, independent contractors and personal injury and advertising injury. The City shall be named as an insured under the Consultant's Commercial General Liability insurance policy with respect to the work performed for the City.
3. **Workers' Compensation** coverage as required by the Industrial Insurance laws of the State of Washington.

4. **Professional Liability** insurance appropriate to the Consultant's profession.

B. Minimum Amounts of Insurance

Consultant shall maintain the following insurance limits:

1. **Automobile Liability** insurance with a minimum combined single limit for bodily injury and property damage of $1,000,000 per accident.

2. **Commercial General Liability** insurance shall be written with limits no less than $1,000,000 each occurrence, $2,000,000 general aggregate.

3. **Professional Liability** insurance shall be written with limits no less than $1,000,000 per claim and $1,000,000 policy aggregate limit.

C. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions for Automobile Liability, Professional Liability and Commercial General Liability insurance:

1. The Consultant's insurance coverage shall be primary insurance as respect the City. Any insurance, self-insurance, or insurance pool coverage maintained by the City shall be excess of the Consultant's insurance and shall not contribute with it.

2. The Consultant's insurance shall be endorsed to state that coverage shall not be cancelled by either party, except after thirty (30) days prior written notice by certified mail, return receipt requested, has been given to the City.

D. Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best rating of not less than A:VII.

E. Verification of Coverage

Consultant shall furnish the City with original certificates and a copy of the amendatory endorsements, including but not necessarily limited to the additional insured endorsement, evidencing the insurance requirements of the Consultant before commencement of the work.
13. **Subletting or Assigning.** The Consultant shall not sublet or assign any of the work covered by this Agreement without the express written consent of the City.

14. **Entire Agreement.** This Agreement represents the entire Agreement between the parties. No change, termination or attempted waiver of any of the provisions of the Agreement shall be binding on any party unless executed in writing by authorized representatives of each party. The agreement shall not be modified, supplemented or otherwise affected by the course of dealing between the parties.

15. **Waiver.** Failure by any party to this Agreement to enforce any provision of this Agreement or to declare a breach shall not constitute a waiver thereof, nor shall it impair any party's right to demand strict performance of that or any other provision of this Agreement any time thereafter.

16. **Severability.** If any provision of this Agreement or its application is held invalid, the remainder of the Agreement or the application of the remainder of the Agreement shall not be affected.

17. **Execution and Acceptance.** This Agreement may be executed in several counterparts, each of which shall be deemed to be an original having identical legal effect. The Consultant hereby ratifies and adopts all statements, representations, warranties, covenants, and agreements contained in the supporting materials submitted by the Consultant, and does hereby accept the Agreement and agrees to all of the terms and conditions thereof.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

SCOPE OF WORK

City of Bonney Lake
SCADA Services

PHASE 01 – PRAIRIE RIDGE BOOSTER PUMP STATION

The City of Bonney Lake is adding a booster station to pump water from the City of Tacoma’s Pipeline 1 to the Bonney Lake Ponderosa Reservoir via the 800 pressure zone. The pump station will have two 50-hp variable speed pumps with space to add two additional variable speed pumps in the future. The City of Bonney Lake (City) has contracted the pump station construction. The entire electrical and controls of the pump station, including PLC programming, is included in the construction contract.

Parametrix has been requested to provide programming and commissioning assistance for the City’s central SCADA system. Parametrix will coordinate their work with the construction contractor. PLC programming and commissioning work at the booster pump station (BPS) will be completed by the contractor’s system integrator.

The City has also requested that Parametrix provide design modification to the original BPS control panel communications system to replace the originally designed leased line modem system. The City has requested that a Virtual Private Network (VPN) Internet connection be provided for communications between the booster pump station and the City’s central SCADA system. A DSL modem, with firewall, will be added at the booster pump station and a DSL connection, with firewall, will be installed at the City’s central SCADA system to provide secure communications. The City has requested the new communication design take into account a possible future modification to communicate with the Peaking Reservoir using 900 MHz ISM band telemetry radios.

Measurable Objectives

Parametrix will provide the following for the new Prairie Ridge Booster Pump Station:

- PLC programming and commissioning services for the City of Bonney Lake’s central SCADA system.
- Supply and configure two firewalls for VPN service between the Prairie Ridge Booster Pump Station and the City’s central SCADA computer. The firewalls will be connected to the City’s DSL service.

Scope

The following work items will be provided by Parametrix:

- Task 101 Project Management:
  - One meeting with the City, the City’s engineer, and the City’s contractor to finalize the planned control strategy for the booster pump station.
  - Project management, quality assurance, and quality control.
  - Purchasing of firewalls.

- Task 102 Design:
  - Design to change communications between the Prairie Ridge BPS and the City’s central SCADA system from leased line telephone communication to DSL Internet communication using VPN. Design will allow for future communications using a radio telemetry system.
• Task 103 Specifications: Not applicable to this scope.

• Task 104 Programming:
  ➢ Coordination of SCADA communication with the Prairie Ridge BPS system integrator.
  ➢ Add the Prairie Ridge BPS to the City’s central SCADA system.
  ➢ Add the Prairie Ridge BPS to two Reservoir Call screens.
  ➢ Create a new graphics-based SCADA screen similar to the example SCADA screen shown in Figure 1 (located at the end of the scope). The following will be displayed:
    ▪ Analog signals for:
        ◦ Discharge flow.
        ◦ Suction pressure.
        ◦ Discharge pressure.
        ◦ Four (Pumps P1, P2, P3, and P4) speed indicators (P3 and P4 future).
        ◦ Four (Pumps P1, P2, P3, and P4) speed references (P3 and P4 future).
    ▪ Discrete signals for:
        ◦ Five generator status/alarms.
        ◦ Four ATS alarms/indicators.
        ◦ Twenty VFD (P1, P2, P3, and P4) status/control alarms (P3 and P4 future).
        ◦ Pressure relief valve open.
        ◦ Pump room flood.
        ◦ Discharge flow meter vault flooded.
        ◦ Pump room smoke detection.
        ◦ Waste manhole high level.
        ◦ Four (input, status, control, and horn) station intrusion.
    ▪ Numeric values to be displayed (all numeric values accumulated in the BPS PLC):
        ◦ Four (Pumps P1, P2, P3, and P4) run hours indicators (P3 and P4 future).
        ◦ Today’s flow station total.
        ◦ Yesterday’s flow station total.
    ▪ The following dial-out alarms will be created:
        ◦ VFD/pump failure.
        ◦ Generator failure.
        ◦ High discharge pressure.
        ◦ Low discharge pressure.
        ◦ High suction pressure.
        ◦ Low suction pressure.
ATS failure.
Phase failure.
- Configuration of two firewalls for VPN communications between the Prairie Ridge BPS and the City’s central SCADA system.

- Task 105 – Startup:
  - VPN communications link between the Prairie Ridge BPS and the City’s central SCADA system.
  - End-to-end testing of the central SCADA PLC and Wonderware configuration.
  - Operator training.

**Schedule**

Completion date is subject to completion and commissioning of the pump station by the City’s contractor.

**Budget**

See attached budget spreadsheet.

**Assumptions**

- Programming of the Prairie Ridge Booster Pump Station PLC will be completed by the contractor’s system integrator.
- Parametrix will work in concert with the Prairie Ridge BPS contractor during end-to-end testing of the signals to test and commission the additions and modifications to the central SCADA system. The Prairie Ridge BPS contractor will be responsible for all commission work at the Prairie Ridge BPS, and Parametrix will be responsible for all work at the central SCADA system.
- System end-to-end testing will be completed in a single 8-hour day.
- Communications coordination with the City of Tacoma’s SCADA system will be completed by the City of Bonney Lake’s contractor.
- Parametrix will purchase and supply the City of Bonney Lake with two WatchGuard firewalls.
- The City of Bonney Lake will be responsible for arranging for and overseeing installation of the DSL service at both the Prairie Ridge BPS and at the City’s maintenance building.

**Deliverables**

- One communications drawing of the modifications to the Prairie Ridge Booster Pump Station control panel and adding the communications equipment at the City’s central SCADA system.
- Central SCADA system modifications:
  - Modifications to the City’s central SCADA PLC to add the Prairie Ridge Booster Pump Station.
  - One new Wonderware screen for the Prairie Ridge BPS.
  - New SCADAlarm voice files for Prairie Ridge BPS alarms.
  - Modifications to the City’s central SCADA system for the pump call system.
- Provide a 1-hour operator training session on the new screen and alarms.
- Two WatchGuard firewalls programmed for VPN operation.
