D. Agenda Modifications:

Councilmember McKibbin requested that the agenda be changed to move Community Development Committee Issues Item B., Resolution 2313, to Finance Committee Issues, Item B. He advised this issue did not come out of the Community Development Committee and instead came out of the Finance Committee.

Councilmember Lewis moved to amend the agenda to move Resolution 2313 from
Community Development Issues, Item B., to Finance Committee Issues, Item B.
Councilmember Watson seconded the motion.

Motion to amend the agenda approved 7–0.

II. PUBLIC HEARINGS, CITIZEN COMMENTS & CORRESPONDENCE:
A. Public Hearings:

1. **AB13-84 – A Public Hearing To Consider Proposed Resolution 2311, Adopting The**

   **Mayor Johnson opened the public hearing at 7:04 p.m.**

   Winona Jacobsen, 9100 189th Ave Ct E, Bonney Lake, stated that Bonney Lake has a
   newly formed Fennel Creek Habitat Team which is an affiliate of the National
   Wildlife Federation. The Fennel Creek Habitat Team is dedicated to protecting
   wildlife and the Fennel Creek Habitat. She said she is in favor of the 2014-2019 Six-
   Year Transportation Improvement Plan which supports the building of the Fennel
   Creek Trail.

   Shawnta Mulligan, 11329 177th Avenue E, Bonney Lake, stated her concerns
   regarding Map 9 of the 2014-2019 Six-Year Transportation Improvement Plan which
   showed an extra 10’ right of way included in the proposed plan. She respects the
   proposed plan, but is concerned about families whose property she feels will be
   affected by the Renwood Development. She said she believes the properties affected
   should have been posted with notice of the proposed land use.

   John Maddox, 18426 89th Street E, Bonney Lake, stated he is concerned about the
   easements and roads that the City believes it has for a right of way along 186th
   Avenue and 88th Street, which he does not believe exists. He said he does not believe
   the City has the right to eminent domain of property and that only the federal
   government has that right. He advised if the City wants any portion of his families’
   property he stated it has been appraised at $900,000.

   James Kelly McClimans, 19025 68th Street E, Bonney Lake, stated he has been
   reviewing the agendas and issues before Council and advised that the Transportation
   Improvement Plan was on it. He was concerned when he reviewed the meeting
   packet that there is additional right of way included in an area that has been well
   established. He stated that he believes the Council has a precedent for exercising the
   right to condemn property and he doesn’t feel it is appropriate for the City to do in a
   well-established area. He encouraged the Council to understand the difference
   between what the City can versus what it should do.

   Dan Decker, 20407 70th Street E, Bonney Lake, stated he had a concern regarding the
   intersection of SR 410 and Sumner Buckley Highway (Veteran’s Memorial Drive)
   for the right turn lane, even though he realizes that this is really a State Department of
   Transportation issue and not a City issue, however it affects City residents. He
   encouraged the City to talk with the State to get a right turn lane to help with that
   intersection.

   **Seeing no other speakers, Mayor Johnson closed the public hearing at 7:17 p.m.**
2. **AB13-88** – A Public Hearing To Review Community Development And Housing Needs, Inform Citizens Of The Potential Availability Of Planning Grant Funds For The State Community Development Block Grant (CDBG) Program, And Receive Public Input On Proposed Activities, Particularly From Lower And Middle Income Persons.

**Mayor Johnson opened the public hearing at 7:17 p.m.**

Stewart Bowen, Bonney Lake Food Bank - Bread of Life, 12116 193rd Avenue E, Bonney Lake, said he is the Executive Director of the Bonney Lake Food Bank and they have two distribution centers. He said the City's attempt to obtain a grant for a new building for the Food Bank was close, however, unfortunately the City and/or the Food Bank was not the recipient of the grant. He said there is now an opportunity to acquire a grant to do some planning and get a strategic plan moving forward to try again for a grant for housing. He said last fiscal year the Food Bank served 1,711 homes which is a huge impact. He said effectively what they are doing is impacting the economics of the community by putting the money back in the budget that those families don't have to spend on essential items they provide to these families to help them, and to assist them to better themselves. He begged the Council to please continue to help the Food Bank, and make the City of Bonney Lake a better place to live.

Seeing no other speakers, Mayor Johnson closed the public hearing at 7:21 p.m.

**B. Citizen Comments:**

Sherry Creson, 12606 216th Avenue Ct E, Bonney Lake, spoke regarding the City’s proposal to sell the Senior Center back-up van, as well as her and her husband’s proposal to purchase the van from the City, and then donate it back to the City. She pleaded with the Council to assist the seniors and said it is important to them to help others who are in need. City Administrator Morrison said the last direction of Council was for the City to sell the surplus van to the Senior Advisory Board. He said a meeting is planned to meet with Senior Center Manager Sue Hilberg. Mayor Johnson said the City will meet with the Senior Center Advisory Board regarding the City’s intentions whether to keep or surplus the old van. Mayor Johnson said if a change of the Council’s intention is determined necessary, then this issue will be brought back to Council.

Linda Youngberg, spoke regarding the proposed Renwood Development and stated her concern regarding notices of the application for the properties that are affected along 88th and the potential 10’ right of way. Mayor Johnson advised Ms. Youngberg that a meeting could be set up for her to ask questions regarding the Renwood Development project and the notices issued. City Administrator Morrison said proper notices were given to the affected property owners. Public Works Director Grigsby said the Six Year Transportation Improvement Plan which is required to be submitted to the State does not set priorities or encumber money, it is strictly based on what the City Engineer and Development Engineer are aware of what could happen regarding where future roads could be built.

Ms. Youngberg also said she would like to have the City do something about the intersection of Main Street and 182nd as she believes it is dangerous and she was recently involved in an accident at that location. Councilmember Watson said this intersection has been reviewed by the Public Safety Committee.
Shawnta Mulligan, 11329 177th Avenue E, Bonney Lake, WA, spoke regarding the 2014-2019 Six-Year Transportation Improvement Plan and the Renwood Development. She stated she believes there is an intentional connection between the 2014-2019 Six Year Transportation Plan and the Renwood Development.

Ms. Mulligan also commented regarding Resolution 2312, Section 3, which relates to investments of City monies in the Local Government Investment Pool and stated that it appears there is no representative to hold accountable for the decisions made in this regard and she would like to see citizens involved in the decision making process. City Attorney Haggard said a quorum of the Council represents the citizens. Ms. Mulligan asked Council to look at revising the language in Section 3 of the proposed resolution and not to take action on Resolution 2312 tonight.

Marilyn Warren, 21514 145th Street E, Bonney Lake, requested that the Senior Center have use of the back-up van for transportation of its wheelchair senior citizens.

Amy Burnhard, 18208 56th Street Ct E, Lake Tapps, spoke on behalf of her mother Phyllis Griffith, and stated that her mom truly enjoys attending the Senior Center and it lifts her spirits to attend events at the Senior Center and that the old Senior Center van, with wheelchair access, is crucial to get her there.

Dan Decker, 20407 70th Street E, Bonney Lake, spoke about Allan Yorke Park and the crosswalk along Tapps Highway. He said the fence blocks vision of smaller people by the stairway as they enter the crosswalk. He stated he observed a young child come out of the fenced area right into the crosswalk and he would like to see the speed limit reduced for that area.

Lee Davidson, 8803 180th Avenue E, Bonney Lake, spoke regarding the 2014-2019 Six Year Transportation Improvement Plan and the widening of the street should the Renwood Development go in. He would like to see the roads improved, but not at the risk of the children and would prefer four way stop signs to funnel the Renwood Development traffic.

C. Correspondence: None.

III. COUNCIL COMMITTEE REPORTS
A. Finance Committee: Deputy Mayor Swatman said the committee met at 5:30 p.m. earlier in the evening and discussed two items of business including a water developer extension agreement for a developer on Snag Island, and a Lease Modification for T-Mobile at the Ponderosa Tank. They also reviewed some budgetary documents and meeting notes.

B. Community Development Committee / Economic Development Focus Group: Councilmember McKibbin said the Community Development Committee last met on June 18, 2013, and forwarded one item to the current agenda.

C. Public Safety Committee: Councilmember Hamilton said the Committee has not met since the last Council meeting.

D. Other Reports:
   Pierce County Regional Council: Councilmember Hamilton provided a report on the
Pierce County Regional Council (PCRC). He said they met on July 18th in Tacoma and there was a presenter who gave a presentation on the 2015 U.S. Open that will occur in University Place. He said the U.S. Open is asking for many volunteers, however it is $175 to volunteer. He said there was a public hearing regarding updating the 2013 Comprehensive Plan Amendments. He said there was a strict focus on not expanding any growth areas in the County. Another amendment was regarding the U1 for the City of Bonney Lake, which would simply transfer the existing County urban growth area and making it a City urban growth area. He said some members were concerned about Area 465. He said Senior Planner Jason Sullivan did a good job explaining that under the rules it can't be brought into the urban growth area. The group passed the amendment unanimously and will now go to the County Community Development Committee and then onto the full County Council if it passes out of Committee. He said the City should know by the end of October if they have authority to proceed.

Fennel Creek Habitat Team: Councilmember Lewis said he attended a meeting at the Library on July 22, 2013, for the Fennel Creek Habitat Team. He said the Fennel Creek Habitat Team will have a booth at Bonney Lake Days to educate all citizens about Fennel Creek and the trail, and the opportunities for future interests. He plans to attend future meetings to stay informed.
