She said she has over 87 signatures for a petition requesting sidewalks for the safety of their pedestrians along their development. She provided pictures of the area they are requesting sidewalks for and she advised they have had an inspector come out to the area who stated that a sidewalk is possible. Mayor Johnson said the area is on the City’s 25 year plan, but this is something they could possibly move up on the plan. Mayor Johnson advised that Ms. Dickson has also spoken with the Police Chief Powers regarding the speed limits in the area. Council member Hamilton asked if this area is included in the upcoming overlay project. Public Works Director Grigsby said this section of road is scheduled in the upcoming overlay project and the shoulder adjacent to the overlay will also get a new road base on it. Council member Hamilton said he was curious about any costs savings to the City if it choose to do the sidewalks in that area instead of the overlay. Council member Rackley asked Ms. Dickson if the Woodbriar Village Homeowners’ Association may be interested in contributing to the costs of installing sidewalks, as this may help to move it up on the City’s plan.

Finance Committee: Deputy Mayor Swatman said the Committee met at 5:30 p.m. and discussed personnel updates, proposed Resolution 2317 for the Lakeridge Water Main Upgrades with Parametrix, as well as Resolution 2321 for award of the Angeline Road and Church Lake Road overlay projects. C. Public Safety Committee: Council member Hamilton said the Committee met on August 5th and most of the discussion was regarding the Six-Year Transportation Improvement Plan with questions about setting priorities on streets and road improvements. Director Grigsby said there is no prioritization for the projects in the Plan; it is just a requirement the City include anything that may be considered for loans or grants. Council member Hamilton commented that the Probation software CaseLoad is up and running and said having the new probation officer on staff is showing to be very beneficial for the City. Council member Hamilton also spoke regarding traffic problems with events that are occurring at Kelly Farms. A citizen requested that the City have a patrol officer at Angeline next year. Mayor Johnson said the City is advised of these types of events and the City makes efforts to assist.
