### Traffic Safety Emphasis Patrol Operational Guidelines

**Purpose:** The Traffic Safety Emphasis Patrol is committed to the prevention of traffic related violations, including alcohol and other drug impaired driving, through coordinated, multi-agency deterrence.

#### A. Objectives

1. To reduce the incidence and prevalence of traffic related violations, including alcohol and other drug impaired driving, in Pierce County.
2. To increase law enforcement manpower to maximum levels in high-traffic, high collision areas.
3. To increase public attention to the risks of traffic violations and increase public perception of risk for traffic arrest.
4. To focus media attention on the prevalence of traffic violations and the coordinated efforts to encourage traffic safety.
5. To enhance communication and cooperation among law enforcement agencies in Pierce County.

#### B. Selection of Officers

1. Each participating agency will be asked to provide at least one officer for each Emphasis Patrol. Agencies with restricted jurisdiction will be asked to offer an equivalent, alternative level of participation.
2. All participating officers must have completed the basic state academy.
3. Participating agencies will be encouraged to assign highly-motivated officers who have experience in criminal traffic offenses.

#### C. Supervision

1. A first level supervisor will be required from agencies where major emphasis occurs.
2. The supervisor(s) will work the entire Emphasis patrol shift and will have overall responsibility for the assigned officer.
3. The supervisor(s) will field all questions and complaints concerning the Emphasis Patrol. All citizen complaints will be forwarded to the parent agency of any officer involved in the complaint.

4. The supervisor(s) will have the sole authority to return an officer to his/her agency as a result of inappropriate behavior.

5. Officers assigned to the Emphasis Patrol will be expected to follow their parent agency's policies with regard to pursuit and arrest procedures and all other matters of professional conduct. However, officers also will be expected to follow the direction of the Emphasis Patrol supervisor(s).

#### **D. Officer Responsibility**

1. Officers will work their assigned areas according to the guidelines provided by the supervisor(s), focusing on detection and apprehension of impaired drivers.

2. When an arrest is made, the arrestee will be taken to the nearest participating BAC verifier facility for processing or the Pierce County jail.

3. Officers will follow their parent agency guidelines for report writing. Unless otherwise required by an officer's parent agency, each citation will be filed in the jurisdiction of the arrest.

4. At the end of each Emphasis Patrol shift, each officer will provide the supervisor(s) with an account of their activity for that shift using the activity log form provided.

5. Emphasis Patrol officers will be responsible for one another's safety and will be expected to provide back-up and cover for one another.

6. Officers will respond to traffic accidents to provide assistance and traffic control. If an accident is alcohol or drug-related, the Emphasis Patrol officer will investigate and make any arrests or citations as necessary. If alcohol or drugs are not involved, investigation will be left to the appropriate regular duty officer(s).

7. Coffee and lunch breaks will be provided, however, these breaks will be restricted to no more than three marked units together at one time.

8. If citizens inquire as to the presence of an outside agency officer in the emphasis area, officers will explain their role in the Traffic Safety Emphasis Patrol.

#### **E. Target Areas and Deployment**

1. The Emphasis Patrol will be assigned to target areas based on intelligence information from participating agencies, traffic citation and collision data, and discussions of the DUI Task Force.

2. The target areas will be assigned by rotation so that each participating agency's jurisdiction is included, unless a higher priority target is identified by the DUI Task Force.

3. Deployment of officers will be the responsibility of supervisor(s). Each officer will be provided with a map of the target area and briefing information.

**F. Communications**

1. All Emphasis Patrol communications will be on the LERN (Law Enforcement Radio Network) frequency.
2. Requests for data or impound will be made through the appropriate dispatch agency.

**G. General Policies**

1. No arrestee will be released to their own custody. Unless booked into jail, arrestees will only be released to a responsible, sober person or transported home.
2. Every lawful option will be made to have vehicles removed from the roadway. If there is concern that the vehicle may be a hazard, the supervisor(s) will make an impound order, if necessary.
