

Street Sweeper Schedule:

Schedule for Main Arterials:

The Street Sweeper will concentrate on the Main Arterials during the **First Week** of every month. The sweeper will support the “Litter Crew” by sweeping the streets completed w/in a day of completion.

The following Arterials take priority:

184th Avenue E
Sumner/Buckley Highway
Locust Avenue
Bonney Lake BLVD
South Tapps Highway
West Tapps Highway
Church Lake Road
Kelley Lake Road
Myers Road
Angeline Road
192nd Ave E (Bonney Lake Manor)
104th St E (Bonney Lake High School)
200th Ave Ct E (Mt. View Middle School)

Schedule for other “Curb & Gutter” streets:

The Street Sweeper will sweep all other curb & gutter streets on the **Second Week** of each month. These streets exist primarily in home tracks or developments. These take priority over other streets due to sensitivity of the storm drain systems.

Schedule for other streets:

The sweeper will sweep the remaining streets, (W/out curb & gutter), by following the “**Sweeper Checklist**”. This checklist is organized by geographical sections within the city limits. As each street is swept, the operator will record the date on the checklist to ensure that every street is clean. These streets will be done **Third/Forth Week**, following the Litter Crew.

Note: Some of the streets w/out curb & gutter may be swept using the city’s “**Side Cast Broom**”. This will enable the city crew to expedite sweeping operations.

Street Sweeper Schedule:

Sweeper schedule for State Route 410:

Due to the speed limit, and the amount of traffic on SR-410, an attenuator and a portable message board is required. The “**Sweeper Crew**” must have all necessary safety items and equipment to work on SR 410. Since this equipment is providing a safety buffer, the “**Litter Crew**” will pick-up the trash along the roadside simultaneously. Work on SR-410 will be done in “**increments of safety**”. SR 410 will be swept **Once a Quarter**.

Crew Size & Equipment:

- 3 – Maintenance Worker II
- 2-3 Laborers or Temporary Workers.
- 3 – City “Nextel” phones for communication.
