**Shop Bonney Lake Portal Updated**

Shop Bonney Lake is a City initiative to promote local businesses to area residents and visitors. The service provides all local businesses in the City with a link on the City’s website that directs residents and visitors to new webpages designed and updated by each local business. Many businesses have already updated their pages. Visit citybonneylake.org for more information (look for the Shop Local logo on the home page).

---

**Join National Night Out Tues. August 5th**

Join the City of Bonney Lake and its Police Department Tuesday August 5th for the annual National Night Out Against Crime festivities. Both the Bonney Lake PD and the WA National Guard will have a variety of equipment on display. There will be music. Children’s activities include face painting by the BLHS cheerleaders, Clown Buggie clowns, Sparky, McGruff, and a bounce house. At dusk, there will also be a showing of “Hotel Transylvania” on the City’s outdoor movie screen (weather permitting). The event starts at 6:30 pm on Tuesday, August 5th at Allen Yorke Park. Scheduled movie start time is at dusk (approximately 9:15 pm). Free hot dogs and condiments donated by Target will be served by Court Staff; water donated by Mountain Mist. Come on out and take the opportunity to speak to your elected and appointed officials about public safety or the City in general. For additional information contact: Community Services Officer Yanez at 253-863-2218 ext. 3247, or E-mail: Yanezk@ci.bonney-lake.wa.us

Improvements Considered for 186th/88th/188th Street Downtown Corridor

The Bonney Lake City Council has been considering improvements to the 186th/88th/188th street corridor. Engineers have completed a 30% design for potential improvements to these various sections of Downtown streets. These improvements could include widening, adding stormwater facilities, street lights, undergrounding of utility lines, and the addition of a sidewalk on one side of the street. The next step will be to acquire additional needed right-of-way and completion of the engineering design. While the final set of improvements have not been approved, design should be accomplished by the end of the year, with some construction work to begin in 2015 if included in the 2015-2016 biennial budget.

City Adds Additional Parking to Library Area

On busy court days, it is sometimes difficult to find a readily available parking stall in the lot shared by the Library and the Justice & Municipal Center in downtown Bonney Lake. However, there isn’t really a lack of parking as the City has recently added a new gravel parking lot off 90th Street, directly North of the Library building. While the Library District’s lease of its building from the City does not officially include any designated parking area, the City has improved and expanded parking availability. Library patrons are free to use the new overflow parking lot adjacent to the library building on those days when there is more activity than normal.
