

Wood Stove Replacement Program

Leave your old flame behind – Get paid to scrap your old wood stove

The Puget Sound Clean Air Agency has received limited grant funding and is offering up to $350 to Pierce County residents to recycle their old, but working wood stove. This opportunity applies to Pierce County residents living outside of the Tacoma- Pierce County Smoke Reduction Zone. Previously, this incentive had only been available to residents living within the designated smoke reduction zone in the Tacoma area. This opportunity is for a very limited time and on a first come, first serve basis so don’t wait to sign up if you have an old, functional stove in your home. To see if you qualify and for more information, visit www.pscleanair.org/PierceWSRP. An enhanced burn ban enforcement continues for all of Pierce County when air quality burn bans are in effect during colder winter months.

Annual Easter Egg Hunts & Fun Run

Kids' Easter Egg Hunt
April 4, 2015, 11:00 a.m.
Allan Yorke Park,
7302 West Tapps Hwy,
Bonney Lake

The City of Bonney Lake community Easter Egg Hunt begins promptly at 11:00am at Allan Yorke Park, rain or shine. There is no charge for this event. Children ages 1-11 are welcome. Bring your baskets and your camera to take a free picture with the Easter Bunny!

Don’t be late - once the gun goes off, it’s over in a manner of minutes!

Haulin’ Eggs 5k Fun Run
April 4, 2015, 9:00 a.m.
Allan Yorke Park,
7302 West Tapps Hwy,
Bonney Lake

The Haulin’ Eggs 5k Fun Run is a hilly course where you literally haul eggs as you run! During this unofficially timed 5k event, participants will collect one egg at each kilometer; each egg corresponds to a goodie at the end of the race. The 5th, and final egg will be an egg shaped finisher prize.

Awards will be given to the overall first place male and female finisher. After the race, join us for the family Easter Egg hunt through Allan Yorke Park!

For details or to register visit the race signup page: www.active.com/bonney-lake-wa/running/races/haulin-eggs-fun-run-2015

- For more information & tips on what to shred visit www.agr.wa.gov
For more information contact DM Disposal at (253) 414-0347 - www.murreysdisposal.com

The long awaited sidewalk project to complete the missing SR410 sidewalk link between Downtown and Midtown is underway. The project will continue through the middle of May.

The sidewalk will be built on the North side of SR410 and will cross the bridge over Angeline Road. This will provide a safe haven for pedestrians and bicyclists to use as they travel between the Downtown and the Midtown areas of the City. The construction will also rebuild the north side of the bridge, add a sewer line, widen SR410 between the bridge and 192nd Ave, and will add bases for future street lights.

During construction, one of the two West bound lanes will be closed both at night and during the regular weekend. At night, work will occur from 7 PM to 5 AM. During the day, lane closures will occur between 9 AM and 3 PM. Lane closures will not occur every day or night. Detour signs will be set up directing traffic to Sumner-Buckley Highway on days when lane closures are expected. Alternate routes that can be used during this period include Sumner-Buckley Highway/Veterans Memorial Drive, 214th-218th Avenue, and Rhodes Lake Road.

Thank you in advance for your patience as these improvements are made. This is the first of 3 SR410 construction projects this year. The next will be the reconstruction of the intersection of SR410 and Veterans Memorial Drive, and this summer WSDOT will repave the driving lanes of SR410 from one end of Bonney Lake to the other.
