

Covid-19 Information/Response

Thank you for trusting us to provide for the care and supervision of your child(ren). We are committed to following up-to-date guidelines to ensure you, your camper, and our staff stay healthy throughout the summer.

Throughout this flyer and the Parent Manual you will find areas updated to accommodate Covid-19 guidelines. We recognize that families are approaching the Covid-19 response with different levels of concern. We hope to find a proper balance where everyone has a great camp experience while following the constantly evolving guidance.

We will use the outdoors as much as possible and as safe to do so. We will provide opportunities for fun, educational games, arts and crafts, and science experiments, as well as 30 minutes of daily reading time to replace some of our regular activities we aren't able to provide due to social distancing guidelines.

Covid-19 Site Supervisor

A site-specific Covid-19 Supervisor will be designated to monitor the health of employees and campers and enforce the Covid-19 safety plans. Alex Latham and Laura Zerr will serve as site supervisors.

Shared Use Policies

Health guidance strongly recommends limiting the sharing of equipment of any kind. Activities will be modified to meet this requirement. Each camper will be provided a container and craft supplies for their own daily use. These will be stored on-site.

Social Distancing/Camp Size Provisions

Each Site will host no more than 32 campers that will be divided into groups of no more than 8 with 1-2 staff per group. Groups will be formed by grade, however, siblings will be grouped together. Groups will stay together in the same group throughout the summer. Outside spaces will also be divided into designated areas for each group when all groups are outside at the same time.

Cleaning and Disinfecting Procedures

High touch surfaces will be sanitized regularly throughout the day by camp staff. At a minimum, sanitation will happen following check-in, after trips to the restrooms, before and after lunch, and whenever shared equipment is used. Cleaning products will meet standards established by the CDC and Tacoma/Pierce County Health Department. All areas used by the camp, including gyms and restrooms will receive a deep cleaning following the conclusion of each camp day.

Drop Off/Pick-Up

An outdoor designated drive-up drop-off and pick-up area will be utilized. A map will be provided at registration. Staff will greet families as they drive up. Please allow extra time the first few days as we work through this new process. A health screening will be performed prior to sign-in of campers. Direct point of contact with parents will be limited as much as possible. Parents will provide their name for staff to sign in campers. Staff will also note time in and initial each entry. Please wear a mask at drive-up.

Authorized parents will be issued a pick-up key card after showing proper photo ID. This will streamline pick up. Please follow the directions listed on the key card for proper pick-up procedure.

Health Assessments

During daily drop-off, parents will be required to verify that their child does not have any concerning symptoms and/or has not had known exposure to someone with a confirmed case of Covid-19. The following questions will be asked daily as recommended by the Washington State Department of Health.

Does your child have any of the following symptoms?

1. Cough
2. Shortness of breath
3. Fever of 100.4 or higher or a sense they are having a fever
4. Sore throat
5. Chills
6. New loss of taste or smell
7. Muscle or body aches
8. Nausea, vomiting or diarrhea
9. Congestion or runny nose (not related to allergies)
10. Unusual fatigue
11. Does anyone in your household have any of the above symptoms?
12. Has your child been in close contact with anyone with a suspected or confirmed case of Covid-19?
13. Has your child had any medication to reduce a fever before coming to camp this morning?

Camper/Staff Communication Protocols for Illness Related to Covid-19

When campers or staff show symptoms while at camp, we will communicate via email and at check-in/check-out with families.

If a child or staff member develops signs of Covid-19, we will separate them from others, with supervision at a distance of 6 feet until the sick person is able to leave. While waiting to leave, the individual with symptoms should wear a face covering (if tolerated). After the person has left, the areas the person was in will be aired out, cleaned and disinfected .

The person with symptoms should follow [DOH Guidance for what to do if you have Covid-19 symptoms and have not been around anyone diagnosed with Covid-19](#). Please inform our office immediately if the person is diagnosed with Covid-19.

If a child or staff member tests positive for Covid-19, all members of the infected person's group in the program are considered a close contact and should quarantine for 14 days. Refer to "[What to do if you were potentially exposed to someone with confirmed coronavirus disease Covid-19](#)".

Returning after Suspected Signs of Covid-19

A staff member or child who had signs of suspected or confirmed Covid-19 can return to the program when:

1. At least 3 days (72 hours) have passed since recovery - defined as no fever without the use of medications and improvement of respiratory signs like cough and shortness of breath.
2. At least 10 days have passed since signs first showed up.

2020 ACTION DAY CAMP

SESSION: AUGUST 3 - AUGUST 28

COMPLETED GRADES K - 5

Registration Packet, Parent Manual

To download the registration packet or Parent Manual, please visit our Web site at: www.ci.bonney-lake.wa.us

We reserve the right to cancel or change advertised activities.

Deposits

There is a one time registration fee of \$25 and a \$60 deposit for each week of camp your child will attend. Balance per week is due two weeks prior to the start of each week. Weekly deposits are deducted from total weekly camp cost. Deposits are non-refundable and non-transferable. No exceptions!

Weekly Balances

If you have paid a deposit on a week, the balance owed for that week must be paid at least two weeks prior. If a remaining balance is still owed after the due date, your spot will be offered to the first person on the waiting list. If space is still available, a \$35 late fee will be incurred.

<u>Week of Camp</u>	<u>Payment Due date</u>
Week 1: Aug 3 - Aug 7	with registration
Week 2: Aug 10 - Aug 14	with registration
Week 3: Aug 17 - Aug 21	Aug 3rd
Week 4: Aug 24 - Aug 28	Aug 10th

Refunds

Refund requests will only be accepted with a minimum two-week written notice (less the \$60 deposit). No refunds are given for missed days. A \$15 processing fee also applies.

Camp Cancellations

In the event camp numbers need to be reduced further to meet State guidelines, priority will be based on date/time of registration.

Late Pick Up

There will be a late charge added for children picked up after 5:30 PM. The fee is \$10 plus \$1 per minute per child.

Allergies & Medications

If your child has a life threatening medical condition and requires an inhaler and/or Epi-Pen, additional paperwork must be turned in before registration can be completed.

We can only accept inhalers and Epi-Pen medication. No medications in liquid form or pills will be accepted. Medication must be unexpired and in the original container which includes prescription/physician prescribing information and expiration date. If your child requires an Epi-Pen they will not be allowed to attend camp without their Epi-Pen.

WHAT NOT TO BRING

Please do **not** allow your child to bring toys or valuables (cell phone, hand held electronics, etc.) to camp. Our facility and staff are not responsible for lost, damaged, or stolen items. Toy weapons and guns are also not permitted.

WHAT TO WEAR

To ensure your camper's safety, please send them in active play clothing each day. Children must wear closed toe and heel shoes that will allow active participation in all daily activities. NO flip/flops or sandals.

Week 1: August 3 - 7 "A Pirate's Life for Me"

"X" marks the spot! During this pirate-filled, swash buckling week we will search for buried treasure and have a pirate scavenger hunt. We may even "walk the plank"

Week 2: August 10 - 14 "Sports, Sports & More Sports"

We are going to try out some new sports and master new skills. We'll have fun, daily competitions and challenges!

Week 3: August 17 - 21 "Crazy Concoctions"

Join our science crew for a week of amazing science fun and games, awesome hands-on science creations, experiments, and games

Week 4: August 24 - 28 "Survivor, Hawaii"

Are you up to the challenge? Join us for a week of survivor challenges in your quest to become the Ultimate Survivor. We'll play water games (weather permitting) during our week of fun!

WHAT TO BRING

- Backpack with the camper's name on it (large enough) to hold all their belongings, including extra clothing suitable for changes in weather (jacket, hoodie).

- Facemask labeled with camper's name. Per Washington State Department of Health guidelines, staff and all school aged children are required to wear a mask in K-12 facilities. Campers are required to wear a face mask while indoors at camp.

- Refillable water bottle daily labeled with camper's name.

- Free summer lunch program runs through August 21st. You will need to provide a lunch for Week #4. When sending a sack lunch please send peanut-free items in reusable lunch box and containers (waste-free).

- Two peanut-free daily snacks.

- A book for reading time.

- Apply sunscreen to your child each day before camp. You may also send a spray bottle of sunscreen with your child. Staff is not permitted to apply sunscreen.

- Mark all clothes/towels/sunscreen with child's name. Clothing left at camp will be placed in 'lost and found'. Unclaimed items will be donated to charity on September 4th.
